AccountData	Run Student Data Report	BIRT /PRD	Admin	Yes	Yes	The Account Data report returns, for each user, account-related information, such as user ID, contact information, supervisor information, and hiring information.
AccountData	Run Student Data Report	BIRT /PRD	Admin	Yes	Yes	The Account Data report returns, for each user, account-related information, such as user ID, contact information, supervisor information, and hiring information.
PsaUserActiveGoals	View User Active Goals Report	BIRT /PRD	Student	Yes	Yes	The Active Goals report is run by users to review details about the active goals from one or more plans, for one or multiple users.
PsaUserActiveGoals	View User Active Goals Report	BIRT /PRD	Student	Yes	Yes	The Active Goals report is run by users to review details about the active goals from one or more plans, for one or multiple users.
	Run Approval Process Data Report	BIRT /PRD	Admin	Yes	Yes	The Approval Process Data report describes approval process template as it is constructed in the administration environment (not as a run time approval processes).
ApprovalRoleCoverageByDomain	Run Approval Role Coverage Report	BIRT /PRD	Admin	Yes	Yes	The Approval Role Coverage report describes the users, or type of users, assigned to an approval role.
ApprovalRoleCoverageByOrganization	Run Approval Role Coverage Report	BIRT /PRD	Admin	Yes	Yes	The Approval Role Coverage report describes the users, or type of users, assigned to an approval role.
ApprovalRoleCoverageByOrganization	Run Approval Role Coverage Report	BIRT /PRD	Admin	Yes	Yes	The Approval Role Coverage report describes the users, or type of users, assigned to an approval role.
ApprovalRoleCoverageByDomain	Run Approval Role Coverage Report	BIRT /PRD	Admin	Yes	Yes	The Approval Role Coverage report describes the users, or type of users, assigned to an approval role.
ApprovalRoleCoverageByDomain	Run Approval Role Coverage Report	BIRT /PRD	Admin	Yes	Yes	The Approval Role Coverage report describes the users, or type of users, assigned to an approval role.
ApprovalRoleCoverageByOrganization	Run Approval Role Coverage Report	BIRT /PRD	Admin	Yes	Yes	The Approval Role Coverage report describes the users, or type of users, assigned to an approval role.
	Run Approval Role Data Report	BIRT /PRD	Admin	Yes	Yes	The Approval Role Data report describes how an approval role is used in the system, the processes it is associated with, the step names in the process, and the descriptions of the role itself.
ApprovalsStatus	Run Approvals Status Report	BIRT /PRD	Admin	Yes	Yes	The Approvals Status report describes the status of run-time approval processes in a given date range. It returns the details of approval processes as they exist in the end-user environment.
ApprovalsStatus	Run Approvals Status Report	BIRT /PRD	Admin	Yes	Yes	The Approvals Status report describes the status of run-time approval processes in a given date range. It returns the details of approval processes as they exist in the end-user environment.
ApprovalsStatus	Run Approvals Status Report	BIRT /PRD	Admin	Yes	Yes	The Approvals Status report describes the status of run-time approval processes in a given date range. It returns the details of approval processes as they exist in the end-user environment.
ApprovalsStatus	Run Approvals Status Report	BIRT /PRD	Admin	Yes	Yes	The Approvals Status report describes the status of run-time approval processes in a given date range. It returns the details of approval processes as they exist in the end-user environment.
AssessmentProcessResults	Run Assessment Process Results Report	BIRT /PRD	Admin	Yes	Yes	The Assessment Process Results report describes the status of run-time assessment processes and the current results of the process (as added to the assessment by the users involved).
AssessmentProcessResults	Run Assessment Process Results Report	BIRT /PRD	Admin	Yes	Yes	The Assessment Process Results report describes the status of run-time assessment processes and the current results of the process (as added to the assessment by the users involved).
AssessmentSurveyData	Run Assessment Survey Data Report	BIRT /PRD	Admin	Yes	Yes	The Assessment Survey Data report describes information about the competencies assigned to an assessment survey and the assessment processes that use the survey.
AssessmentSurveyData	Run Assessment Survey Data Report	BIRT /PRD	Admin	Yes	Yes	The Assessment Survey Data report describes information about the competencies assigned to an assessment survey and the assessment processes that use the survey.
	Run Assignment Profile Attribute Data Audit Report	BIRT /PRD	Admin	Yes	Yes	This report will display attribute data history for the selected Assignment Profile.
	Run Assignment Profile Domain Data Audit Report	BIRT /PRD	Admin	Yes	Yes	This report will display domain data history for the selected Assignment Profile.
	Run Assignment Profile Related Data Audit Report	BIRT /PRD	Admin	Yes	Yes	This report will display related entity data history for the selected Assignment Profile.
UserSupervisorRatingGap	Run User Supervisor Rating Gap Data Report	BIRT /PRD	Admin	Yes	Yes	You can use the Employee/Supervisor Ratings Gap report to see users whose self-rating was significantly different from their supervisor's rating. The gap can be positive or negative: the supervisor can have the higher or lower rating of the two. The report shows all gaps from the most recent performance review.
UserSupervisorRatingGap	Run User Supervisor Rating Gap Data Report	BIRT /PRD	Admin	Yes	Yes	You can use the Employee/Supervisor Ratings Gap report to see users whose self-rating was significantly different from their supervisor's rating.
	Run Certificate of Completion Report	BIRT /PRD		Yes	Yes	The Certificate of Completion report prints the certificates of completion for users from the recorded learning event.
	View User Certificate of Completion Learning Event Report	BIRT /PRD	Student	Yes	No	The Certificate of Completion report prints the certificates of completion for users from their learning history.
	Run Certificate of Completion Report	BIRT /PRD	Admin	Yes	Yes	The Certificate of Completion report prints the certificates of completion for users by learning item.

GROUP_ID	WORKFLOW_ID	TYPE	USER_TYPE	PUBLISHED	SHOW_IN_MENU	Report Description
	Run Certificate of Completion Report	BIRT /PRD	Admin	Yes	Yes	The Certificate of Completion for Scheduled Offerings report prints the certificates of completion for users by scheduled offering.
ClassData	Run Class Data Report	BIRT /PRD	Admin	Yes	Yes	The Class Data report describes a class, including the learning items, curricula, and offerings associated with the class, the users in the class, and other attributes of the class.
ClassData	Run Class Data Report	BIRT /PRD	Admin	Yes	Yes	The Class Data report describes a class, including the learning items, curricula, and offerings associated with the class, the users in the class, and other attributes of the class.
ClassLocation	Run Class Location Report	BIRT /PRD	Admin	Yes	Yes	The Class Location report returns the locations associated with a class, such as the location of scheduled offerings associated with a class.
ClassLocation	Run Class Location Report	BIRT /PRD	Admin	Yes	Yes	The Class Location report returns the locations associated with a class, such as the location of scheduled offerings associated with a class.
ClassLocation	Run Class Location Report	BIRT /PRD	Admin	Yes	Yes	The Class Location report returns the locations associated with a class, such as the location of scheduled offerings associated with a class.
ClassProgress	Run Class Progress Report	BIRT /PRD	Admin	Yes	Yes	The Class Progress report returns the progress of users in a class toward completion of the class's learning.
ClassProgress	Run Class Progress Report	BIRT /PRD	Admin	Yes	Yes	The Class Progress report returns the progress of users in a class toward completion of the class's learning.
	View User Close Fit Jobs Report	BIRT /PRD	Student	No	Yes	You can use the Close Fit-Jobs report to see which job codes are most suitable for your employees and to identify subordinates who are qualified overqualified or underqualified for their current job or for a job that might open soon.
CompetenciesWithRelatedCompetencyProfiles	Run Competencies with Related Proficiency Profiles Report	BIRT /PRD	Admin	No	Yes	The Competencies with Related Competency Profiles report, given competencies, returns the competency profiles they are associated with.
CompetenciesWithRelatedCompetencyProfiles	Run Competencies with Related Proficiency Profiles Report	BIRT /PRD	Admin	No	Yes	The Competencies with Related Competency Profiles report, given competencies, returns the competency profiles they are associated with.
CompetenciesWithRelatedItems	Run Competencies with Related Components Report	BIRT /PRD	Admin	No	Yes	The Competencies with Related Items report, given curricula, returns the learning items they are associated with.
CompetenciesWithRelatedItems	Run Competencies with Related Components Report	BIRT /PRD	Admin	No	Yes	The Competencies with Related Items report, given competencies, returns the learning items they are associated with.
UserCompetencyAssessment	Run Student Competency Assessment Report	BIRT /PRD	Admin	No	Yes	The user Competency Assessment report returns, for each user and competency, the user's required mastery level, their assessed mastery level, and for each competency, the date of the last assessment.
UserCompetencyAssessmentComparison	Run User Competency Assessment Comparison Data Report	BIRT /PRD	Admin	Yes	Yes	You can use the Competency Assessment Comparison Report to compare the competency ratings for a user with the organization average and the company average.
UserCompetencyAssessmentComparison	Run User Competency Assessment Comparison Data Report	BIRT /PRD	Admin	Yes	Yes	You can use the Competency Assessment Comparison Report to compare the competency ratings for a user with the organization average and the company average.
UserCompetencyAssessmentComparison	Run User Competency Assessment Comparison Data Report	BIRT /PRD	Admin	Yes	Yes	You can use the Competency Assessment Comparison Report to compare the competency ratings for a user with the organization average and the company average.
PsaUserCompetencyAssessmentComparison	View User Competency Assessment Comparison Report	BIRT /PRD	Student	No	Yes	You can use the Competency Assessment Comparison Report to compare the competency ratings for a user with the organization average and the company average.
PsaUserCompetencyAssessmentComparison	View User Competency Assessment Comparison Report	BIRT /PRD	Student	No	Yes	You can use the Competency Assessment Comparison Report to compare the competency ratings for a user with the organization average and the company average.
CompetencyAssessmentData	Run Competency Assessment Data Report	BIRT /PRD	Admin	No	Yes	The Competency Assessment Data report, given competencies, returns the details of the competencies, including their associations to other objects like assessment processes and assessment surveys.
CompetencyAssessmentData	Run Competency Assessment Data Report	BIRT /PRD	Admin	No	Yes	The Competency Assessment Data report, given competencies, returns the details of the competencies, including their associations to other objects like assessment processes and assessment surveys.
UserCompetencyAssessment	Run Student Competency Assessment Report	BIRT /PRD	Admin	No	Yes	The user Competency Assessment by competency report returns, for each competency, the user's required mastery level, their assessed mastery level and the gap between required and assessed level.
UserCompetencyAssessment	Run Student Competency Assessment Report	BIRT /PRD	Admin	No	Yes	The user Competency Assessment report returns, for each user and competency, the user's required mastery level, their assessed mastery level, and for each competency, the date of the last assessment.
	View User Competency Assessment Trend Report	BIRT /PRD	Student	No	Yes	Supervisors use the Competency Assessment Trend to see if their employee's competency ratings have improved or declined over time.
UserCompetencyAssessmentTrend	Run User Competency Assessment Trend Data Report	BIRT /PRD	Admin	Yes	Yes	The Competency Assessment Trend checks an employee's competency ratings for improvement over time.
UserCompetencyAssessmentTrend	Run User Competency Assessment Trend Data Report	BIRT /PRD	Admin	Yes	Yes	The Competency Assessment Trend checks an employee's competency ratings for improvement over time.
	Run Competency Data Report	BIRT /PRD	Admin	No	Yes	The Competency Data report returns metadata associated with a competency, like competency category, rating scale, competency profiles, and required rating.
CompetencyProfileData	Run Proficiency Profile Report	BIRT /PRD	Admin	No	Yes	The Competency Profile Data report returns attributes of the competency profile, including the competencies in the profile.

GROUP_ID	WORKFLOW_ID	TYPE	USER_TYPE	PUBLISHED	SHOW_IN_MENU	Report Description
CompetencyProfileData	Run Proficiency Profile Report	BIRT /PRD	Admin	No	Yes	The Competency Profile Data report returns attributes of the competency profile, including the competencies in the profile.
UserCompetencyProfilesStatus	Run Student Proficiency Profile Status Report	BIRT /PRD	Admin	No	Yes	The user Competency Profile Status report returns, for each user and competency profile, the date when the competency profile was assigned to the user and whether or not the user has completed the requirements of the competency profile.
UserCompetencyProfilesStatus	Run Student Proficiency Profile Status Report	BIRT /PRD	Admin	No	Yes	The user Competency Profile Status report returns, for each user and competency profile, the date when the competency profile was assigned to the user and whether or not the user has completed the requirements of the competency profile.
UserCompetencyProfilesStatus	Run Student Proficiency Profile Status Report	BIRT /PRD	Admin	No	Yes	The user Competency Profile Status report returns, for each user and competency profile, the date when the competency profile was assigned to the user and whether or not the user has completed the requirements of the competency profile.
CompetencyProfileWithRelatedJobPositions	Run Proficiency Profiles with Related Job Positions Report	BIRT /PRD	Admin	No	Yes	The Competency Profile with Related Job Codes report, given a competency profile, returns the job codes associated with the profile.
CompetencyProfileWithRelatedJobPositions	Run Proficiency Profiles with Related Job Positions Report	BIRT /PRD	Admin	No	Yes	The Competency Profile with Related Job Codes report, given a competency profile, returns the job codes associated with the profile.
	Run Student Conflict Report	BIRT /PRD	Admin	Yes	Yes	The User Conflict report returns, for each user, dates, times and scheduled offerings in existing learning schedule that are in conflict. To include all records, regardless of date, do not specify a date range.
UserCumulativeGapAnalysis	Run Cumulative Gap Analysis Report	BIRT /PRD	Admin	No	Yes	The Cumulative Gap Analysis report returns, for each competency and user, the average gap between a user's assessed ability and the mastery level required in the user's competency profile. This is a statistical summary report for the selected users. No individual user information appears unless you choose to run the report for one user at a time.
UserCumulativeGapAnalysis	Run Cumulative Gap Analysis Report	BIRT /PRD	Admin	No	Yes	The Cumulative Gap Analysis report returns, for each competency and user, the average gap between a user's assessed ability and the mastery level required in the user's competency profile. This is a statistical summary report for the selected users. No individual user information appears unless you choose to run the report for one user at a time.
CurriculumsWithRelatedJobPositions	Run Qualifications with Related Job Positions Report	BIRT /PRD	Admin	Yes	Yes	The Curricula with Related Job Codes report, given curricula, returns the Job Codes that contain curricula.
	Run Qualifications with Related Job Positions Report	BIRT /PRD	Admin	Yes	Yes	The Curricula with Related Job Codes report, given competencies, returns the job codes that contain curricula.
	Run Curriculum Custom Field Data Audit Report	BIRT /PRD	Admin	Yes	Yes	The Curriculum Custom Field Data Audit report returns a history of the changes made to the Curriculum Custom fields, who made the changes, and when the changes were made.
CurriculumData	Run Qualification Data Report	BIRT /PRD	Admin	Yes	Yes	The Curriculum Data Report returns curricula attributes, including the subcurricula in the curriculum.
CurriculumData	Run Qualification Data Report	BIRT /PRD	Admin	Yes	Yes	The Curriculum Data Report returns curricula attributes, including the subcurricula in the curriculum.
UserCurriculumItemStatus	Run Student Qualification Component Status Report	BIRT /PRD	Admin	Yes	Yes	The user Curriculum Item Status report returns, for each user, the curriculum assigned to each user and their curriculum status, the items assigned to each curriculum, and the completion date, completion status, and required date for each item.
UserCurriculumItemStatus	Run Student Qualification Component Status Report	BIRT /PRD	Admin	Yes	Yes	The user Curriculum Item Status report returns, for each user, the curriculum assigned to each user and their curriculum status, the items assigned to each curriculum, and the completion date, completion status, and required date for each item.
	Run Curriculum Summary Data Audit Report	BIRT /PRD	Admin	Yes	Yes	The Curriculum Summary Data Audit report returns a history of the changes made to the Curriculum information, who made the changes and when the changes were made.
	Run Custom Resource Data Report	BIRT /PRD	Admin	Yes	Yes	The Custom Resource Data report returns the costs associated with custom resources.
	Run Customer Usage Data Report	BIRT /PRD	Admin	Yes	Yes	This is a statistical summary report for details like active state of user, login details, item completion details etc.
	Run Document Data Report	BIRT /PRD	Admin	Yes	Yes	The Document Data report returns document attributes, including revision, author, and type.
	Run Document Review Flag Report	BIRT /PRD	Admin	Yes	Yes	The Document Review Flag report returns the curricula, items or other objects that should be reviewed because a document has been reviewed.
	Run Email Summary Audit Report	BIRT /PRD	Admin	Yes	Yes	The Email Summary Audit report returns a history of emails that were generated from the system, including when the email was sent, who it was sent to, who sent it, and the subject information.
EmployeeSupervisorGap	Run Employee Supervisor Gap Data Report	BIRT /PRD	Admin	Yes	Yes	The Employee/Supervisor Gap report returns the users whose self rating was significantly different from their supervisor's rating.
	View Employee Supervisor Gap Report	BIRT /PRD	Student	Yes	Yes	You can use Employee/Supervisor Ratings Gap report to show users whose self rating was significantly different from their supervisor's rating (you define the significance of the gap using the Gap Threshold list).
EmployeeSupervisorGap	Run Employee Supervisor Gap Data Report	BIRT /PRD	Admin	Yes	Yes	The Employee/Supervisor Gap report returns the users whose self rating was significantly different from their supervisor's rating.

GROUP_ID	WORKFLOW_ID	TYPE	USER_TYPE	PUBLISHED	SHOW_IN_MENU	Report Description
EmployeesAtRisk	Run Employees At Risk Data Report	BIRT /PRD	Admin	Yes	Yes	the Employees at Risk report returns employees who are at risk to leave their job code, based on the last published performance review.
EmployeesAtRisk	Run Employees At Risk Data Report	BIRT /PRD	Admin	Yes	Yes	The Employees at Risk report returns employees who are at risk to leave their Job Code, based on the last published performance review in CSV format.
EmployeesDropoff	Run Employees Dropoff Data Report	BIRT /PRD	Admin	Yes	Yes	The Employee Dropoff report returns users whose supervisor rating has fallen significantly from the previous review to the most recently published review.
	View Employees Drop off Report	BIRT /PRD	Student	Yes	Yes	You can use the Employee Dropoff report to show users whose supervisor rating has fallen significantly from the previous review to the most recently published review (you define the significance of the dropoff using the Gap Threshold list).
EmployeesDropoff	Run Employees Dropoff Data Report	BIRT /PRD	Admin	Yes	Yes	The Employee Dropoff report returns users whose supervisor rating has fallen significantly from the previous review to the most recently published review in CSV format.
EmployeesReadyForPromotion	Run Employees Ready for Promotion Data Report	BIRT /PRD	Admin	Yes	Yes	The Employees Ready for Promotion report returns employees who have been marked as ready for promotion (as of the most recent review) and their readiness rating, which is a value assigned to how or when the employee is ready to be promoted in CSV format
EmployeesReadyForPromotion	Run Employees Ready for Promotion Data Report	BIRT /PRD	Admin	Yes	Yes	The Employees Ready for Promotion report returns employees who have been marked as ready for promotion (as of the most recent review) and their readiness rating, which is a value assigned to how or when the employee is ready to be promoted
	Run Equipment Data Report	BIRT /PRD	Admin	Yes	Yes	The Equipment Data report returns equipment attributes.
	Run Equipment Status Report	BIRT /PRD	Admin	Yes	Yes	The Equipment Status report returns the location and equipment attributes, based on equipment or equipment status.
	Run Equipment Utilization Report	BIRT /PRD	Admin	Yes	Yes	The Equipment Utilization report returns the number of scheduled offerings for which each individual piece of equipment has been scheduled, and the total number of hours the equipment is scheduled to be in use.
UserExamItemAnalysis	Run Exam Item Analysis Report	BIRT /PRD	Admin	Yes	Yes	The Exam Item Analysis report returns the questions that were associated with an exam at run time. Exams can be randomized, their questions drawn from a pool. The report accounts for randomization and pools.
UserExamItemAnalysis	Run Exam Item Analysis Report	BIRT /PRD	Admin	Yes	Yes	The Exam Item Analysis report returns the questions that were associated with an exam at run time. Exams can be randomized, their questions drawn from a pool. The report accounts for randomization and pools.
	Run Exam and Survey Objects Report	BIRT /PRD	Admin	Yes	Yes	The Exam Objects report returns metadata about exams, including its objectives and questions, scoring data, and analysis actions.
	Run External Request Data Report	BIRT /PRD	Admin	Yes	Yes	The External Request Data report returns all data related to an external request that a user has submitted. It returns the external request form that the user completed.
ExternalRequestDataReport	Run External Request Data Report	BIRT /PRD	Admin	Yes	Yes	The External Request Data report returns all data related to an external request that a user has submitted. It returns the external request form that the user completed.
ExternalRequestTuition	Run External Request Tuition Report	BIRT /PRD	Admin	Yes	Yes	The External Request Tuition report returns the list of external requests for tuition.
ExternalRequestTuition	Run External Request Tuition Report	BIRT /PRD	Admin	Yes	Yes	The External Request Tuition report returns the list of external requests for tuition.
ExternalRequestTuition	Run External Request Tuition Report	BIRT /PRD	Admin	Yes	Yes	The External Request Tuition report returns the list of external requests for tuition.
ExternalRequestTuition	Run External Request Tuition Report	BIRT /PRD	Admin	Yes	Yes	The External Request Tuition report returns the list of external requests for tuition.
ExternalRequestTuition	Run External Request Tuition Report	BIRT /PRD	Admin	Yes	Yes	The External Request Tuition report returns the list of external requests for tuition.
ExternalRequestTuition	Run External Request Tuition Report	BIRT /PRD	Admin	Yes	Yes	The External Request Tuition report returns the list of external requests for tuition.
FacilityData	Run Facility Data Report	BIRT /PRD	Admin	Yes	Yes	The Facility Data report returns the management and identifying information of facilities, including a facility's locations, assigned equipment, and material information.
FacilityData	Run Facility Data Report	BIRT /PRD	Admin	Yes	Yes	The Facility Data report returns the management and identifying information of facilities, including a facility's locations, assigned equipment, and material information.
	Run Financial Transaction CSV Report	BIRT /PRD	Admin	Yes	Yes	The Financial Transaction CSV report returns all data related to all financial transaction that happened in the application.
FollowUpEvaluation	Run FollowUpEvaluation Report	BIRT /PRD	Admin	Yes	Yes	This report shows the mean score (the average results of the rating scale questions) for each follow-up survey, survey page, and survey question.
FollowUpEvaluation	Run FollowUpEvaluation Report	BIRT /PRD	Admin	Yes	Yes	This report shows the mean score (the average results of the rating scale questions) for each follow-up survey, survey page, and survey question.
FollowUpEvaluationByIndividualResponse	Run FollowUpEvaluationByIndividualResponse Report	BIRT /PRD	Admin	Yes	Yes	This report shows the mean score (the average results of the rating scale questions) for each follow-up survey and survey page.
FollowUpEvaluationByIndividualResponse	Run FollowUpEvaluationByIndividualResponse Report	BIRT /PRD	Admin	Yes	Yes	This report shows the mean score (the average results of the rating scale questions) for each follow-up survey and survey page.
GovernmentTrainingLearningEvents	Run Government Reporting Learning Events Report	BIRT /PRD	Admin	Yes	Yes	You can use the Government Training Learning Events Report to see the completion of items that are included in Government reporting.
GovernmentTrainingLearningEvents	Run Government Reporting Learning Events Report	BIRT /PRD	Admin	Yes	Yes	You can use the Government Training Learning Events Report to see the completion of items that are included in Government reporting.
GovernmentReportingCosts	Run Government Reporting Costs Report	BIRT /PRD	Admin	Yes	Yes	You can use the Government Reporting Costs Report to see the user costs of items that are included in Government reporting.

GROUP_ID	WORKFLOW_ID	TYPE	USER_TYPE	PUBLISHED	SHOW_IN_MENU	Report Description
GovernmentReportingCosts	Run Government Reporting Costs Report	BIRT /PRD	Admin	Yes	Yes	You can use the Government Costs Report to see the user costs of items that are included in Government reporting.
GovernmentReportingDIFBalance	Run Government Reporting DIF Balance Report	BIRT /PRD	Admin	Yes	Yes	The Government Reporting DIF Balance report returns, for each user, the number of DIF hours granted for a given year, the number of hours that have been used, and the hours remaining at run time.
GovernmentReportingDIFBalance	Run Government Reporting DIF Balance Report	BIRT /PRD	Admin	Yes	Yes	The Government Reporting DIF Balance report returns, for each user, the number of DIF hours granted for a given year, the number of hours that have been used, and the hours remaining at run time.
	Run Government Reporting Form 2483 Report	BIRT /PRD	Admin	Yes	Yes	You can use the Government Form 2483 Report to see the aggregation of user costs and events information of items that are included in Government reporting.
	Run Holiday Profile Report	BIRT /PRD	Admin	Yes	Yes	The Holiday Profile report returns the facilities to which the holiday profile has been applied. A new holiday profile must be created for each calendar year.
	View User Initiative Alignment Report	BIRT /PRD	Organization Owner	Yes	Yes	This report is run by the organization owner to review the completion status of each of their organizations' aligned initiatives (initiatives that are aligned to parent initiatives). The report Summary shows the parent initiative and the list of initiatives that are aligned to the corresponding parent.
	View User Initiatives Report	BIRT /PRD	Organization Owner	Yes	Yes	This report is run by the organization owner to investigate how their organization and its employees are progressing toward the completion of goals that are aligned to initiatives with the given organization.
	Run Instructor Authorization Audit Report	BIRT /PRD	Admin	Yes	Yes	The Instructor Authorization Audit report returns a history of the changes made to the instructor\u2019s authorized to teach information.
InstructorData	Run Instructor Data Report	BIRT /PRD	Admin	Yes	Yes	The Instructor Data report returns instructors' cost per hour, email addresses, items the instructors are qualified to teach, and other system management information.
InstructorData	Run Instructor Data Report	BIRT /PRD	Admin	Yes	Yes	The Instructor Data report returns instructors' cost per hour, email addresses, items the instructors are qualified to teach, and other system management information.
	Run Instructor Data Audit Report	BIRT /PRD	Admin	Yes	Yes	The Instructor Data Audit report returns a history of the changes made to the instructor\u2019s information, who made the changes, and when the changes were made.
InstructorProctorCodes	Run Instructor Proctor Codes Report	BIRT /PRD	Admin	Yes	Yes	The Instructor Proctor Codes report returns the proctor codes in a date range. Proctor codes control user access to exams.
InstructorProctorCodes	Run Instructor Proctor Codes Report	BIRT /PRD	Admin	Yes	Yes	The Instructor Proctor Codes report returns the proctor codes in a date range. Proctor codes control user access to exams.
	Run Item Compliance Summary Report	BIRT /PRD	Admin	Yes	Yes	The Item Compliance Summary report provides an overview of each Item's completion data for required learning within the date range selected. This data includes counts of learning events recorded, number of Users who completed the Item, the related Curricula, and average days remaining.
	Run Item Custom Field Data Audit Report	BIRT /PRD	Admin	Yes	Yes	The Item Custom Field Data Audit report returns a history of the changes made to the Item Custom fields, who made the changes, and when the changes were made.
ItemData	Run Component Data Report	BIRT /PRD	Admin	Yes	Yes	The Item Data report returns attributes of learning items.
ItemData	Run Component Data Report	BIRT /PRD	Admin	Yes	Yes	The Item Data report returns attributes of learning items.
ItemEvaluation	Run ItemEvaluation Report	BIRT /PRD	Admin	Yes	Yes	The report shows the mean score (the average results of the rating scale questions) for each survey, survey page, and survey question and the percentage of users who selected each response.
ItemEvaluation	Run ItemEvaluation Report	BIRT /PRD	Admin	Yes	Yes	The report shows the mean score (the average results of the rating scale questions) for each survey, survey page, and survey question and the percentage of users who selected each response.
ItemEvaluationByIndividualResponse	Run ItemEvaluationByIndividualResponse Report	BIRT /PRD	Admin	Yes	Yes	This report shows each users responses to the survey questions.
ItemEvaluationByIndividualResponse	Run ItemEvaluationByIndividualResponse Report	BIRT /PRD	Admin	Yes	Yes	This report shows each users responses to the survey questions.
ItemEvaluationByInstructor	Run ItemEvaluationByInstructor Report	BIRT /PRD	Admin	Yes	Yes	This report shows the mean score (the average results of the rating scale questions) for each survey and survey page, grouped according to the instructor.
ItemEvaluationByInstructor	Run ItemEvaluationByInstructor Report	BIRT /PRD	Admin	Yes	Yes	This report shows the mean score (the average results of the rating scale questions) for each survey and survey page, grouped according to the instructor.
ItemList	Run Component List Report	BIRT /PRD	Admin	Yes	Yes	The Item List report, given learning items, returns the items' type/ID/revision code and title.
ItemList	Run Component List Report	BIRT /PRD	Admin	Yes	Yes	The Item List report, given learning items, returns the items' type/ID/revision code and title.
ComponentObjectDetails	Run Component Module Details Report	BIRT /PRD	Admin	Yes	Yes	The Item Object Details report returns, for each online item, content object details, the content objects themselves, and the exams or surveys that are included in the online item.
ComponentObjectDetails	Run Component Module Details Report	BIRT /PRD	Admin	Yes	Yes	The Item Object Details report returns, for each online item, content object details, the content objects themselves, and the exams or surveys that are included in the online item.
ItemRequest	Run Component Requests Report	BIRT /PRD	Admin	Yes	Yes	The Item Requests report returns, for users and items, the users who have requested items but who have not yet been registered or waitlisted in a scheduled offering of the item.
ItemRequest	Run Component Requests Report	BIRT /PRD	Admin	Yes	Yes	The Item Requests report returns, for users and items, the users who have requested items but who have not yet been registered or waitlisted in a scheduled offering of the item.
