

Submitting an Enhancement

1 - Access the [SuccessFactors Community](#)

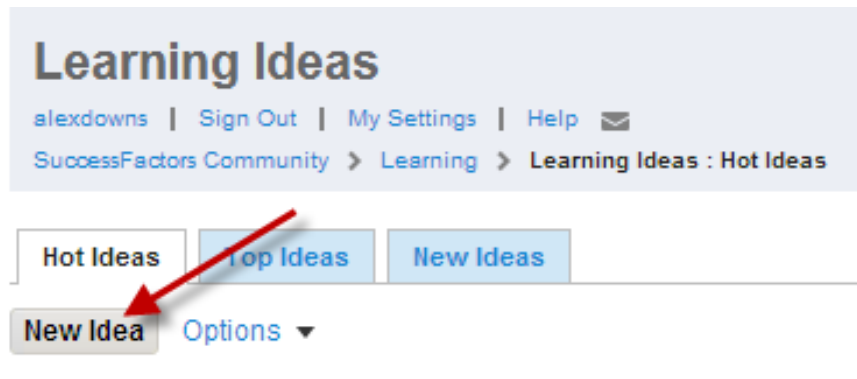

2 - Select the proper Product:

3 - Click on the product Ideas board under the “Participate” section. For example, if you want to submit an idea for Learning, you would click on “Learning Ideas”:

Participate			
Title		Posts	New
 Learning Product Discussions		534	349
 Learning Product Resources		28	13
 Learning Ideas		263	202
 Learning - Life Sciences SIG Learning - Life Sciences Special Interest Group		68	62
 Learning - Government SIG Learning - Government Special Interest Group		14	12

4: Click on “New Idea”:

5: Complete Form and then click “Post”

A screenshot of the 'New Idea' form. The header shows 'New Idea' and a search bar with 'Idea Exchange' and a 'Search' button. The breadcrumb trail is 'SuccessFactors Community > Learning > Learning Ideas > New Idea'. The form is divided into several sections: 'Post Idea' with an 'Idea Subject' text box; 'Body' with 'Rich Text', 'HTML', and 'Preview' tabs, a 'Spell Check' button, and a rich text editor toolbar; 'Attachments' with a 'Choose File' button and 'Remove'/'Add Attachment' links; 'Subscriptions' with a checkbox 'Email me when someone replies'; 'Labels' with an 'Idea Labels' text box; and 'Tags' with an 'Idea Tags' text box and a checkbox 'Do not allow anyone to tag this idea'. At the bottom right, there are 'Cancel' and 'Post' buttons, with a red arrow pointing to the 'Post' button.

Once Product Management has decided to accept your idea, the Idea's status will be changed:

Allow User Connector to accept future higher date Status: [Accepted for Roadmap, No Release Date Yet](#)
by [\[User Name\]](#)

Hello,

Staff members with hire dates in the future cannot log in to the LMS until that hire date arrives because standard User Connector does not allow future hire dates. We would like to be able to create user at the LMS with future hire dates.
